POSITION: Key Make-Up

WHY ACFC WEST: "I believe in ACFC. I have seen how far it has come and I know how hard people have worked to build it up to where it is today. I think that there are strong loyalties between the Members and the way everyone works together and supports one another. We have become a force to be reckoned with and I believe it is because we stand united."

WHAT IS A TERM OR PHRASE YOUR DEPARTMENT USES THAT MOST ARE NOT FAMILIAR WITH?

"I learned a line in China that helped me communicate with an assistant. I said -shocher- 'pack down the trailer.' I don't know if I said it right but she got it every time."

In closing I would like to thank everyone in my department in China. I will never forget you all: Christie, Shu Ping, Wei Wei, Mei Mei, Ging Ging and Tong Tong. 🇨🇳
